

# Engineering Activity

## Design & Create

Materials:

A. Build Bricks

# 1 Challenge

Use the build bricks to design and create the items listed below.

You were hired by an amusement park to **create a new roller coaster.**

Your parents want you to **construct them a new home.**

The city wants you to **build a bridge** to connect one side of the town to the other.

## 2 Exploration

Create some new things. Write them in the spaces below.
